

### Product Care

All our quality porcelain is carefully decorated by hand in Poole. All the pottery produced by Seacraft is dishwasher and microwave safe. Seacraft uses traditional decoration and firing techniques to produce a durable product, robust enough for use ashore or afloat. Our mugs will fit most boat mug racks and are catering quality glazed porcelain.

### Our Guarantee

Slight variations in colour and design may occur due to hand decoration and firing. We hope you enjoy the originality of each individual piece. Should a breakage or defect occur please notify us within 24 hours of delivery so we may promptly resolve the matter.
